STORY

INTRO We're spending 4 weeks looking at 4 psalms! Last week learnt about a psalm that helps us to thank God for saving us. This week we're going to learn that we can trust God to save us because He has powerfully saved His people before.

READ PSALM 114

1 The Israelites **WENT OUT** of Egypt. The people of Jacob **LEFT** that foreign country. 2 Then Judah became God's holy place. Israel became the land he ruled. 3 The Red Sea looked and **RAN AWAY**. The Jordan River **TURNED BACK**. 4 The mountains **DANCED** like sheep and the hills like little lambs...7 Earth, shake with **FEAR** before the Lord. **TREMBLE** in the presence of the God of Jacob.

THINK...

In Exodus we learn that God saved the people from Egypt (their enemies). He saved His people by doing amazing things to show everyone how strong He is. He did this to show everyone He is the only real God we should love and trust (Deut. 4v34). One amazing thing God did was make a path through the sea for Israel to walk on (Ex. 14v1-2).

1. What place did the Israelites leave? (Egypt)
2. Who would be God's special people? (Israel)
3. How did God save Israel? (He made a path for them through the Red Sea)
4. Is God stronger than other things that scare us? (Yes!).

Tough Words
 Israel = God's special people
 Egypt = Israel's enemies
 fear = love and trust

PRAY

Heavenly Father, thank you that you are stronger than anything else. Please help us to trust you when we feel scared. Amen.

Keep Chatting...

When your child is taking a bath. Ask if they are able to make the bath water part making a path in the middle? Talk about how powerful God is to make the water in the Red Sea part to save Israel. Talk about how we can trust God because He is stronger even than the things we are most scared of.
