Dear Father, thank you for the Bible. Please help us to know You better as we read it. Amen.

PASSAGE

INTRO For 3 weeks we're looking at the **WISE** way to live.

11v1 Dead flies will make even perfume smell bad. In the same way, a little foolishness can ruin a wise man's fame for wisdom.

10v6 Begin planting early in the morning, and don't stop working until evening. This is because you don't know which things you do will succeed. It is even possible that everything you do will succeed.

THINK...

Wisdom means being smart about how to live life well. Foolishness means doing or saying the wrong thing.

1. What can spoil your life even if you live the smart way? (foolishness)
2. How much foolishness can spoil your life? (Just a little)
3. How does God want us to live? (He wants us to do what we've been given today)
4. Do we need to worry about the future? (No, God is in control. We need to trust Him).

Read Mark 8v35 - Whoever wants to save his life will give up true life. But whoever gives up his life for me and for the Good News will have true life forever. (ICB)

Jesus tells us that the way to live for Him today is to not to win in life for ourselves, but to live so others will know Jesus and love Him. That doesn't mean the only thing we do is tell others about Jesus and don't do anything else. It means that telling others about Jesus is what must be most important to us.

PRAY

Heavenly Father, thank you for all the good things you give us. Thank you that Jesus died on the cross so we can enjoy being your friend, Amen.
