PASSAGE

INTRO

This week we're at the end of the book of Ecclesiastes. The big thing the Teacher tells us is - **REMEMBER** what I've said! Let's look at Ecclesiastes 12v1, 6-7 and Revelation 21v1,

12v1 Remember your Creator while you are young. Your old age is coming when you will have many troubles.

6 Remember God before your life is broken like a golden bowl

7 Your body will become part of the dust of the earth again. But your spirit will return to God who gave it..

12v1 Then I saw a new heaven and a new earth. The first heaven and the first earth had disappeared.

The voice said, "Now God's home is with men. He will live with them, and they will be his people. God himself will be with them and will be their God. 4 He will wipe away every tear from their eyes. There will be no more death, sadness, crying, or pain. All the old ways are gone."

THINK...

Let's remember what the Teacher has said to us about...

1. What is life in this world like? Hevel or mist
2. Why is life like this? Because we all die.
3. What are the good things God has given us? A gift
4. Can we use the good things God gives us to fix the world? No.
5. Who can fix the world? Jesus
6. How should we live now? Thank God for the good things He's given us and trust Him to fix everything.

PRAY

Heavenly Father, thank you for all the good things you give us. Please forgive us for trying to use those things to fix the broken world instead of seeing it as a gift from you. Please help us to look forward to Jesus coming back and the perfect world that he will bring. Amen.

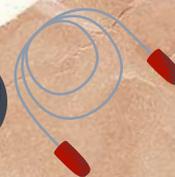

SING!

PLAY!

Leave an apple core out and watch it get old and messed up over the week. Talk about how life is like that and we can't fix it ourselves.

Keep Chatting--

Next time you see something that is getting old and ruined, use the opportunity to talk about how life is like that. Life doesn't last and we all die. Talk about how Jesus can fix this broken world of hevel.
